

Owen May CEO at MD Global Partners, LLC New York City Metropolitan Area

Owen A. May is a dynamic and results-driven executive with over three decades of experience in financial advisory, mergers & acquisitions, and strategic business development. As the CEO and Founder of **MD Global Partners**, Owen has consistently delivered growth through innovative financial strategies and capital market expertise. Under his leadership, the firm has become a leading financial services company, specializing in capital raising, corporate restructuring, and M&A advisory.

Since founding MD Global Partners in 2005, Owen has spearheaded the company's expansion into new markets and overseen significant revenue growth. He has successfully structured and closed numerous deals, enhancing clients' access to capital and transforming their business capabilities. With strong relationships across institutional investors, private equity firms, and corporate clients, Owen has driven high-value transactions and positioned the firm as a trusted partner for small-cap and middle-market companies.

Owen's expertise extends across various financial disciplines, including reverse mergers, business turnarounds, IPOs, and cross-border transactions. His leadership has been instrumental in navigating complex business landscapes, delivering value-driven results for clients across the U.S., Europe, Israel, and China.

In addition to his role at MD Global Partners, Owen serves as a Board Director for organizations such as Syredix Bio, Curzon Energy PLC, and the New York Society for the Prevention of Cruelty to Children (NYSPCC). He is an Emeritus member of the Board of Visitors at the Fuqua School of Business, Duke University, and a member of the President's Council at the University of Miami.

Owen holds an MBA from Duke University's Fuqua School of Business and a bachelor's degree in biology from the University of Miami, blending scientific knowledge with business acumen. He is FINRA licensed with Series 24, Series 7, Series 63, and Series 79 credentials, reflecting his commitment to maintaining the highest standards in the financial industry.
