## Explanatory Note

This Amendment No. 1 on Form 8-K/A (this “Amendment”) amends the Current Report on Form 8-K filed by Sono Group N.V. (the “Company”) with the U.S. Securities and Exchange Commission on March 19, 2026 (the “Original Current Report”), relating to events occurring on March 14, 2026. This Amendment is filed to (i) report the Company’s entry into, and consummation of, a Share Purchase and Transfer Agreement effecting the sale of the Company’s entire interest in its wholly-owned subsidiary Sono Motors GmbH, and (ii) supplement and update Item 2.05 of the Original Current Report with respect to costs and charges associated with the exit from the Company’s legacy solar operations, as contemplated by the Original Current Report. Except as set forth herein, the Original Current Report is not amended or otherwise modified.

### Item 1.01 Entry into a Material Definitive Agreement.

On May 4, 2026 (the “Signing Date”), the Company entered into a Share Purchase and Transfer Agreement (the “SPA”) with (i) Vorratsla-160 M UG (haftungsbeschränkt), a German limited liability company whose sole shareholder is Denis Azhar, and (ii) Vorratsla-161 M UG (haftungsbeschränkt), a German limited liability company whose sole shareholder is Jan Schiermeister (together, the “Purchasers”), and Sono Motors GmbH, a German limited liability company (“Sono Motors”). Denis Azhar and Jan Schiermeister are the current managing directors of Sono Motors. The SPA was notarized under German law on the Signing Date.

**Sale and Transfer of Shares.** Pursuant to the SPA, the Company sold and transferred to the Purchasers, with immediate legal effect in rem (*abtreten mit dinglicher Wirkung*) under German law and without conditions precedent, all 33,588 shares representing 100% of the outstanding share capital of Sono Motors (the “Sold Shares”), with 50% of the Sold Shares transferred to each Purchaser. The purchase price for the Sold Shares was €1.00 in the aggregate.

**Sale and Assignment of Shareholder Loan Repayment Claim.** Simultaneously, the Company sold and assigned to the Purchasers, with immediate legal effect under German law, the Company’s repayment claims (including accrued interest) under shareholder loans previously extended by the Company to Sono Motors (the “Shareholder Loan Repayment Claim”). The outstanding amount of the Shareholder Loan Repayment Claim was approximately €10.5 million as of April 29, 2026. The purchase price for the Shareholder Loan Repayment Claim was €1.00 in the aggregate, with 50% of the Shareholder Loan Repayment Claim assigned to each Purchaser. Each Purchaser’s portion of the Shareholder Loan Repayment Claim is subject to (i) a standstill undertaking by the Purchasers that they will not demand, enforce or otherwise seek repayment, whether fully or partly, of the Shareholder Loan Repayment Claim for a period of two years following the Signing Date, and (ii) a qualified subordination (*qualifizierter Rangrücktritt*) pursuant to German insolvency law under which the Shareholder Loan Repayment Claim is subordinated to all other present and future creditors of Sono Motors.

**Ancillary Matters.** In connection with the SPA, the Company and Sono Motors agreed to terminate the Corporate Services Agreement between them, pursuant to which Sono Motors had provided certain accounting, controlling, treasury and regulatory reporting services to the Company, with retroactive effect as of April 30, 2026. The SPA also requires the parties to use their best efforts to cause the lease agreement for the premises located at Waldmeisterstraße 93, 80935 Munich, Germany, under which the Company is the current lessee, to be transferred to Sono Motors as lessee by no later than June 30, 2026, with a full release of the Company from any further liability thereunder; if such transfer is not completed by that date, the Company has the right to terminate the lease agreement. In addition, Sono Motors granted the Company a worldwide, limited, non-exclusive, non-transferable, royalty-free, irrevocable license to use the “Sono” brand as company name and in connection with its stock exchange listing, securities trading or stock ticker.

Following the Signing Date, the Company no longer holds any equity interest in, or exercises any control over, Sono Motors. The SPA is governed by the laws of Germany, and disputes arising under the SPA are subject to binding arbitration in Munich, Germany.

The foregoing description of the SPA does not purport to be complete and is qualified in its entirety by reference to the full text of the SPA, a copy of which is filed as Exhibit 10.1 to this Amendment and incorporated herein by reference.

### Item 2.01 Completion of Acquisition or Disposition of Assets.

The information set forth under Item 1.01 of this Amendment is incorporated herein by reference.

### Item 2.05 Costs Associated with Exit or Disposal Activities.

This Item amends and supplements Item 2.05 of the Original Current Report.

---

As previously disclosed in the Original Current Report, on March 14, 2026, the supervisory board of the Company resolved to terminate all current and future funding commitments to Sono Motors and to exit the legacy solar operations conducted through Sono Motors, with immediate effect (the “Exit”). In the Original Current Report, the Company stated that it was unable to make a good faith estimate of the total costs and charges that may be incurred in connection with the Exit and committed to amend the Original Current Report when such amounts became reasonably estimable. As described in Item 1.01 of this Amendment, the Company has now completed the Exit through the execution and consummation of the SPA on the Signing Date.

In connection with the Exit and the transactions contemplated by the SPA, the principal costs the Company has incurred and expects to continue to incur consists of legal, advisory and other professional fees and expenses associated with the Exit. The Company does not currently expect to incur any additional material exit or disposal charges. The Company does not expect to receive any material net proceeds from the Exit. Any costs incurred in connection with the Exit are expected to be reduced by cash flow to the Company from the Treasury Strategy.

#### **Item 8.01 Other Events.**

On May 8, 2026, the Company issued a press release regarding the completion of its exit from the Company’s legacy solar business. A copy of that press release is filed as Exhibit 99.1 to this Current Report and is incorporated herein by reference.

As previously disclosed, the Company intends to solicit the ratification by its shareholders of the engagement by the Company in the Treasury Strategy.

Should one or more of these risks or uncertainties materialize or should any of the assumptions being made prove incorrect, actual results may vary in material respects from those projected in these forward-looking statements. Now, therefore, the Parties agree as follows:

## **1. Sale and Transfer of the Sold Shares**

### 1.1 Sale and Transfer of the Sold Shares

- (a) The Seller hereby sells and transfers with effect in rem (*abtreten mit dinglicher Wirkung*) the shares with the consecutive numbers 1 to 16,794 corresponding to a share percentage of 50% of the shares in the Company and the nominal capital of the Company to Purchaser 1 and Purchaser 1 accepts this sale and transfer; and
- (b) the Seller hereby sells and transfers with effect in rem (*abtreten mit dinglicher Wirkung*) the shares with the consecutive numbers 16,795 to 33,588 corresponding to a share percentage of 50% of the shares in the Company and nominal capital of the Company to the Purchaser 2 and Purchaser 2 accepts this sale and transfer (all shares sold and transferred by the Seller in this Clause 1.1 the "**Sold Shares**").

It is the joint understanding of the Parties that the Seller shall sell and transfer all shares held by it in the Company and the Seller shall not retain any shares or other interest in the Company.

The transfers in rem (*Abtretung mit dinglicher Wirkung*) of the Sold shares in Sections 1.1(a) and 1.1(b) shall not be subject to a condition precedent (*aufschiebende Bedingung*) and take immediate effect in rem (*mit sofortiger dinglicher Wirkung*).

### 1.2 Ancillary Rights

The Sold Shares are sold and transferred together with any and all rights and obligations pertaining thereto (*Nebenrechte*) including the right to any undistributed profits for the current business year and for any prior business years of the Company.

### 1.3 Consent of the Seller, No Right of First Refusal

Pursuant to section 14 para. 1 of the articles of association of the Company, the transfer of the Sold Shares requires the approval of the Company's shareholders with a majority of at least 80% of the share capital. In addition, pursuant to section 14 para. 2 of the articles of association of the Company the shareholders of the Company have a Right of First Refusal. As a matter of precaution: The Seller is the sole shareholder of the Company. The Seller hereby gives its consent to the Transaction. Section 14 para 2 of the articles of association is not applicable.

## **2. Sale and Assignment of Shareholder Loan Repayment Claim; Standstill**

### 2.1 Sale and Assignment

The Seller hereby sells and assigns with immediate effect in rem (*sofortiger Wirkung*) 50 % of the Shareholder Loan Repayment Claim to the Purchaser 1 and 50 % of the Shareholder Loan Repayment Claim to the Purchaser 2, whereby an indivisible cent amount shall be allocated to Purchaser 1, which hereby each accept such sale and assignment. The Company hereby consents to such assignments. The Company and the respective Purchaser may after the notarization of this agreement enter into a separate loan agreement governing the respective part of the Shareholder Loan Repayment Claim acquired by the respective Purchaser under this Section 2.1. Such loan agreement shall not require the consent of any of the other Parties, provided that Section 2.2 remains unaffected and provided further that a qualified subordination as set out in Section 2.3 shall be included in the respective loan agreement.

## 2.2 Standstill

- (a) The Purchasers hereby undertake *vis-à-vis* the Seller (but not *vis-à-vis* the Company, neither directly nor by way of a contract for the benefit of a third party (*kein Vertrag zu Gunsten Dritter*)) that they will not demand, enforce or otherwise seek repayment, whether fully or partly, of the Shareholder Loan Repayment Claim for a period of two years following the Signing Date.
- (b) Nothing in this Clause shall be construed as a waiver or deferral (*Stundung*) of the Shareholder Loan Repayment Claim.

## 2.3 Qualified subordination (*Qualifizierter Rangrücktritt*)

- (a) As of the Signing Date, each Purchaser, each as holder of the acquired part of the Shareholder Loan Repayment Claim, hereby subordinates, pursuant to Section 19 para. 2 sentence 2 and Section 39 para. 2 of the German Insolvency Code (“**InsO**”), the part of the Shareholder Loan Repayment Claim acquired by such Purchaser (including any ancillary rights (*Nebenrechte*) and any present and future claims for principal, interest (including default interest) and costs arising out of or in connection with the Shareholder Loans and/or the Shareholder Loan Repayment Claim) (collectively, the “**Subordinated Receivables**“) to the claims of all other present and future creditors of the Company (other than (i) creditors whose claims are already subordinated by agreement and rank equally with the Subordinated Receivables, and (ii) equally ranking creditors) to such extent that the Subordinated Receivables may only be asserted and satisfied after satisfaction in full of all other claims against the Company (including the claims referred to in Section 39 para. 1 nos. 1–5 InsO), but prior to shareholders’ claims for repayment of capital contributions within the meaning of Section 199 sentence 2 InsO, and only out of (i) future net profits (*künftige Jahresüberschüsse*), (ii) a liquidation surplus (*Liquidationsüberschuss*) or (iii) other free assets (*sonstiges freies Vermögen*) of the Company which remain after satisfaction of such other creditors and which are not required for capital maintenance purposes (the “**Subordination**”).
- (b) The Parties agree that the Subordination shall also apply outside insolvency proceedings, i.e. prior to the opening of insolvency proceedings over the assets of the Company. Accordingly, no payment (and no enforcement) in respect of the Subordinated Receivables shall be made if and to the extent that the Company is at the relevant time unable to pay its debts as they fall due (*zahlungsunfähig*) or over-indebted (*überschuldet*) within the meaning of Sections 17 and 19 InsO, or would become unable to pay its debts as they fall due or over-indebted as a result of such payment or enforcement. For the purposes of avoiding illiquidity within the meaning of Section 17 InsO, the Subordinated Receivables shall be deemed not to be seriously demanded (*nicht ernsthaft eingefordert*). For the avoidance of doubt, the Purchasers shall refrain from any acts in relation to the Subordinated Receivables that would constitute, trigger or deepen any ground for insolvency of the Company under German insolvency law.
- (c) The Parties agree that the Subordination constitutes neither a deferral/moratorium (*Stundung*) nor a waiver (*Verzicht*) of any Subordinated Receivables.

## 2.4 Termination of LoC

The Company and the Seller agree that the Seller has fulfilled all payment obligations under or in connection with the LoC. The Company and the Seller hereby terminate the LoC with immediate effect, and, as a matter of precaution, the Company and the Seller each hereby waive any claims under the LoC with effect from the Signing Date in accordance with Section 5.1. For the avoidance of doubt, the claims of the Purchasers resulting from the acquisition of the Shareholder Loan Repayment Claim, in particular the acquired parts of the Shareholder Loan Repayment Claims themselves remain unaffected.

## 3. Corporate Services Agreement

3.1 The Company and the Seller hereby terminate the Corporate Services Agreement with retroactive effect as of 30 April 2026. Any payment claims of the Company resulting from services rendered on or prior to 30 April 2026 or relating to periods until and including 30 April 2026 remain unaffected. Apart from the claims specifically exempted under the preceding sentence, the Seller as well as the Company hereby waive any and all claims or rights they may have against the respective other party under or in connection with the Corporate Service Agreement (whether actual or contingent, present or future).

3.2 The Purchasers shall use their best efforts to procure that Company provides, and the Company undertakes to provide the Seller within reasonable time after receipt of a corresponding request with any information which is available at the Company and reasonably required by the Seller (i) to comply with the Seller's regulatory reporting obligations as a listed entity, and/or (ii) for the fulfilment of its tax obligations. The undertaking pursuant to the preceding sentence shall lapse six (6) months after the Signing Date.

## 4. Lease Agreement

4.1 The Parties undertake vis-à-vis each other to use their best efforts to achieve that the Lease Agreement will be transferred to the Company as (main) lessee by way of a tripartite agreement to be entered into by the Company and the Seller with the Landlords (such agreement a "**Tripartite Agreement**"). The Tripartite Agreement shall include a release of the Seller from any liability under the Lease Agreement and/or Sublease Agreement.

PRESS RELEASE

# Sono Group N.V. Completes Exit from Legacy Solar Operations

**Transfer of Sono Motors to Its Management Team Marks Full Completion of the Strategic Transition Announced in March 2026; Sono Group Currently Operates as a Focused Digital Asset Treasury Company**

**Munich, May 8, 2026** – Sono Group N.V. (Nasdaq: SSM) (hereafter referred to as “Sono” or the “Company”) today announced the completion of a decisive milestone in its ongoing strategic transformation: the formal transfer of its now former subsidiary Sono Motors GmbH (“Sono Motors”) to companies controlled by Sono Motors’ own management team. The transaction closed and took legal effect on May 4, 2026, bringing to a close the solar exit the Company announced in March. Sono Group holds no further equity interest in Sono Motors and carries no ongoing operational obligations to the business.

With this transaction complete, the Company turns fully to the Treasury Strategy: acquiring Bitcoin and generating yield through a covered-call approach under its institutional ISDA framework. The proceeds of the Company’s March 2026 financing were deployed into Bitcoin acquisition immediately upon receipt, capital that would otherwise have been partially absorbed by legacy solar operations. With the exit complete, there is no longer a competing claim on that capital.

The legacy solar business was transferred to Sono Motors’ two managing directors, Denis Azhar and Jan Schiermeister, who acquired it directly, together with the technology and the team they led. The brand’s solar heritage and the people behind it remain in capable hands. Sono Group retains an irrevocable, royalty-free license to continue operating under the Sono name for its stock exchange listing and securities trading.

---

Sono Group currently operates as a digital asset treasury company and will continue to evaluate opportunities to build long-term shareholder value as its strategy develops.

"I want to thank the Sono Motors team: what Denis, Jan and their colleagues built earned real industry recognition, and I'm glad it passes to people who believe in it. For Sono Group, the transformation we announced in March is now complete. We are focused on execution and on delivering results for our shareholders," said Kevin McGurn, Managing Director and CEO of Sono Group N.V.

Full details of the transaction, including the Share Purchase and Transfer Agreement, are set forth in the Company's Amendment No. 1 on Form 8-K/A filed with the U.S. Securities and Exchange Commission on May 6, 2026, available at [www.sec.gov](http://www.sec.gov) and on the Company's investor relations website at [ir.sonomotors.com](http://ir.sonomotors.com).
